\$9 to \$18 Summer Dresses---\$5.90.

Just two hundred and fifty - if there were four times as many they would be gone by to-morrow night at this little price. The maker's sacrifice of a number of unusually pretty styles for prompt clearance brings this opportunity here just when the wear time for such Dresses has commenced.

They have more than ordinary charm—the brilliance of Paris fashion modified by American good taste. Batistes, lawns, dimities and silk finished chambrays are the materials. The waists are mostly trimmed with braid and embroidery insertions and have stock collars and soft cuffs. The skirts are gored and flounced, both plain and trimmed with braid and insertions. Colors are the prettiest tans, oxblood, blue, heliotrope and rose, and prices regularly, even here, would be \$9.00 to \$18.00. Choice of these to-morrow for \$5.90.

250 Pique Summer Skirts-\$1.19.

Less than they cost to make. The material is black or navy blue pique of good quality with white polka dots and white pique with graduated flounce outlined with stitched band. They are excellently made and finished and extremely little priced at \$1.19. each.

Men's Panama Hats---Five Dollars.

We imported an immense quantity of Panama Hats this season just as they came from the South American makers and had them blocked and finished here. Some were not up to the Abraham and Straus standard—a bit off the pure color or with slight imperfections that the expert will see, but the layman wouldn't notice ordinarily. We have taken them all-there are only a few dozen-trimmed them and blocked them ready to wear, and priced them lower than real Panamas have been anywhere this season-five dollars each.

Other Panamas, newest styles—the widest assortment we know of, \$10.00. Second floor, rear. Bast Building

Men's \$25 to \$32 Suits to Order, \$16

All are the right weights for wear all Summer, and there is variety enough for every taste.
